Nordic Platelet Symposium March 16-17, 2018

Scandic Triangeln Malmö

With the aim to gather the scientific and clinic competence on platelet related issues in the Nordic countries we are pleased to invite you to this academic symposium.

The Symposium will cover seven topics where both basic and clinical research will be presented as follows:

Topic	Chair(s)
Platelets in trauma and surgery	Anders Jeppsson and Ulf Schött
Platelets and Immunity-focus on ITP	John Semple, Waleed Ghanima
Platelet transfusion therapy-potentials and pitfalls	Jens Kjeldsen- Kragh and Petter Höglund
Platelets issues in Pediatrics and Preganacy	Mimi Kjaersgaard and Jens Kjeldsen Kragh
Diagnosis of platelet disorders	Anne Mette Hvas Tomas Lindahl, Riitta Lassila
Inherited bleeding disorders and the use of whole exome sequencing	Eva Leinoe
Antiplatelet treatment in cardiology and neurology	David Ehrlinge, Peter Svensson

Kindly add the dates to your calender and we will be back shortly with information on how to register
